A representative from Sutu8 spoke in respect of a possible Planning Application for holiday accommodation at Penhale Farm. Members were shown sketches of the layout and design that was being considered, however at this stage this was for information only as the Parish Council does not comment until a full Planning Application comes before them. It was however, a very informative presentation.

This would run from Halsgate to the Tollgate Roundabout. It is hoped that this will also address the issues with turning right in to the Showground at Whitecross.

He reported that applications for the Community Chest need to be received by 18<sup>th</sup> February as there is still a small budget available.

Cllr Weller requested that Cllr Moorcroft raise with the Planning Committee, extending the time allowed to talk at a hearing from the current 2 minutes allowed as it was felt that this is not sufficient to allow full facts to be presented.

Cllr Weller – Neighbourhood Watch Scheme. (Deferred from January meeting). Cllr Weller wanted feedback on whether such a scheme would be of benefit. After discussion, Members felt that whilst in principle a good idea, it may be difficult to find commitment to assist in running. It was also felt that there is currently a good network of “looking out for each other” in the area. It is anticipated that with the installation of a new noticeboard, more information can be placed on there for residents to see.

Cllr Weller to investigate further as to what could be done. Clerk to contact PSCO for that area and invite to a future meeting.

Cllr Weller-Traffic Island at the junction with Logans Logs on the A39 Wadebridge/Whitecross. Cllr Weller expressed his concerns in relation to that area and that he felt it would be beneficial to Parishioners to seek to install a Traffic Island. After discussion, it was agreed that this could be taken to Highways whom, has been invited to attend the February meeting.
