Cornwall Community Governance Review

Cornwall Council is doing a Community Governance Review across Cornwall.

Parish and Town Councils play a vital role in providing local services and involving people in their local community. The review will help ensure local councils can be efficient, effective and reflective of the identity and interest of local communities.

- Parish Areas can be changed by moving boundaries, creating or merging parishes
- Wards and numbers of Councillors can be changed

**Have your say about possible changes
in your local area.**

During 2019 and 2020 we undertook a review of the whole of Cornwall. The review had to be paused due to the Coronavirus Pandemic. We could not complete decision making for all proposals.

Since we last consulted on these proposals a considerable length of time has passed. We are therefore now giving you a further opportunity to provide your feedback on these proposals.

For more information, please visit **letstalk.cornwall.gov.uk/cgr** call **0300 1234 100** or contact your local council.
