Bodmin & Wadebridge Neighbourhood Policing Teams

May 2023

Bodmin Neighbourhood Policing Team (NPT) along with officers from the Professional Development Unit (PDU) and police dog PD Gideon and handler executed a warrant under the Misuse of Drugs Act in Bodmin on Friday. A quantity of suspected class A and B drugs were found and further enquiries are being made.

We are committed to tackling the possession and supply of drugs within our community - if there is suspicious activity going on where you are, please get in touch. Email CIOSNBMBODMIN@devonandcornwall.pnn.police.uk for the Bodmin NPT or contact Crimestoppers anonymously on 0800 555 11

At approximately 3pm Sunday afternoon (23/04/23) an officer from Bodmin was on patrol in the area of the Shire Hall when she was flagged down by four young juvenile males. They had come across an adult male in need of medical attention in the area of Priory Park and had already been looking after him and called for an ambulance. Despite the officer joining them, they were reluctant to leave him until the ambulance arrived.

Another busy day in Bodmin today. Response have been heavily committed with local demand whilst also assisting with events in St Austell.

Bodmin Neighbourhood Beat Managers PC Williams PC Rowe and PC Currie have been busy with training and urgent CPS case file taskings. They also met up with a local Civil Enforcement Officer and completed a good lap of the town on foot discussing problem parking areas for which we are receiving lots of complaints. Great to see Higher Bore Street looking much better - thank you 😊

PC Currie also dealt with an uninsured driver on Dennison Road and issued a traffic offence report which is likely to result in a hefty fine and points.
Finally, Bodmin Beat Manager PC Pickin was in Coroners Court in Truro today in relation to a historic incident he attended from when he was previously based at Truro.

PC Pickin, PC Williams and PCSO Cornwell popped into the Shire Suite for the local Age Concern meeting.

This is a fantastic opportunity for Bodmin Police to speak to individuals face to face about any issues or concerns in the community. They also managed to convince officers to play a game of Bingo.

PC Williams and PC Currie attended Bodmin College with PC Walters (Police Dog Handler) his passive drugs dog Sky and PC Dorman (Youth Intervention Officer). The visit was very well received by all helping to ensure Bodmin College remains a drug free zone. This ties in with work the college have been doing to educate the pupils on laws surrounding the possession and supply of illegal drugs & substances.

Following the visit of PCSO Clive Wherry and Crime prevention officer Kevin Sinfield to Wyndhurst Orchard Wadebridge where Kevin gave a presentation on the awareness of scams to the residents the photo shows some of residents who attended.

PC Pickin and PC Williams from Bodmin Neighbourhood Team visited St Petrocs Primary School. The children tried on lots of equipment and made full use of the police sirens!

Bodmin Neighbourhood Team while out on foot patrol made drivers move their vehicles that were causing an unnecessary obstruction. This is how the crossing at St Leonards should look. We will be back to check.

@DCPolVolunteers

People choose to volunteer for a variety of reasons. For some it offers the chance to give something back to the community, for others, an opportunity to develop new skills and to feel part of the local policing team. Regardless of the motivation, what unites them all is their desire to make a difference.

Our police support volunteers are very important members of our policing family, and a vital resource to help us deliver policing and build valuable links with our communities. They undertake a wide range of roles from administrative to vehicle maintenance which support and enhance our service so that our officers and staff can concentrate on frontline tasks.
